

An all-in-one smart device that looks great and gives both you and your guests a great view of every transaction.

Function meets Form

Function meets form in a new breed of wireless terminal that delivers an exceptional guest experience.

A TURNKEY SOLUTION

Features a mobile and countertop credit card terminal, printer, signature pad, PIN pad, and docking station.

WIRELESS FREEDOM

WiFi capabilities enables you to take the check-in/ check-out process and sales transactions to your guests.

ACCEPT MAJOR PAYMENT TYPES

Processes all payment types – contactless EMV cards, Interac and mobile payments such as Apple Pay (NFC).

POWERFUL SECURITY

With Primary Account Number (PAN) encryption, your guests' data is protected by the latest technology.

STRONG SUPPORT

Includes a dedicated support team to help whenever you need it 24 hours a day, 7 days a week.

ROBUST REPORTING

Our HQ dashboard makes it easy to monitor sales, refund transactions, and settle with one click.

LET'S TALK:

Our lodging terminal goes where your guests want to pay. With dual touch screens and an integrated printer, your guests will have an enhanced user experience and the best countertop/mobile solution in the marketplace.
